V. TOURNAMENT ASSIGNMENTS AND SEEDING MEETINGS

A) Boys Individual Regional Tournament Entries:

- 1) Each school shall submit to the Regional Manager at the seeding meeting the following information for all wrestlers who may participate in the Regional:
 - a. the completed Regional List of Participants, which is the Body Fat Roster for your school.
 - b. the Individual Wrestler's Season Record Verification Form listing the wrestler's actual weights and records from all their season matches. **(Entry in the tournament begins at the seeding meeting.)**

Note: In lieu of the official verification forms available online, coaches may submit computerized records listing the necessary information.

***Only wrestlers who are on the Body Fat Roster, that was turned in, will be allowed to enter the Regional Tournament or be able to be an alternate in the Regional Tournament.** Wrestlers who fail to make weight may be moved to a higher weight class. Wrestlers entered at the seeding meeting who subsequently become ill or injured may be replaced.

- 2) Criteria for determining seeded wrestlers will be without exception:
 - a. Head-to-Head. (If both wrestlers have beaten each other the same number of times, then go to the next criteria.)
 - b. Record versus common opponent.
 - c. Vote of the coaches. If tied for a seed, re-vote on tied wrestlers only. If tie remains, flip the coin.

B) Seeding and Schedules in the Boys Individual State Tournament series will be done according to the following plan:

- 1) In the Regional Tournaments, **only four (4)** wrestlers in each weight class will be seeded in a meeting of coaches called for this purpose. In Regional weight classes that have nine (9) or more wrestlers, coaches will seed the top eight (8) wrestlers at the seed meeting. Whenever possible, the top four (4) seeded wrestlers will not wrestle until the quarterfinals. Coaches should provide the team roster with individual records to the Regional host on Wednesday prior to the Regional seed meeting. Any wrestler nominated for a top 4 seed at the Regional seed meeting must remain as a wrestler eligible for seeding until all four wrestlers are seeded in that weight class. This seeding session shall be held on **Thursday** prior to the first session of the Regional Tournament. Only extenuating circumstances should require a seeding meeting to be conducted during the weigh-in. A scratch session shall be held immediately following the conclusion of the weigh-in and the start of the tournament, and brackets shall be reseeded if a seeded wrestler withdraws. (See tournament manual for requirements regarding scratches.)

Under no circumstances shall the seeding and pairing of wrestlers delay the start of the first wrestling session.

Note: In Class 2A and Class 3A Individual Regional tournaments, schools will use an eight-person bracket when possible. When the number of competitors is not a power of two (2, 4, 8, etc.) for any specific weight class, there shall be byes in the initial round of competition.

The number of byes shall be equal to the differences between the number of competitors and the next higher power of two. There shall be no byes, after the first round of competition in either the championship or consolation brackets.

- 2) Individual Sectional Pairings: Wrestlers have been paired by a chance drawing. Champions and runners-up of the same Regional have been drawn to opposite half brackets, and third-place winners have been drawn to the opposite quarter brackets to the runners-up of the same Regional. In the first round of competition, Regional champions shall receive byes and Regional Runners-up will be matched with third-place winners.
- 3) Individual State Final Pairings: A separating/seeding criterion will be used on all Sectional champs to separate them in each weight class according to a listing of specific performance criterion that relates to the overall performance for that year and the previous year's state tournament only. The Sectional Manager will calculate the seeding points of each Sectional champ and enter the points online in the winners' reports. The criteria would be as follows:

Establish a point system for each of the Sectional winners. The wrestler that has the highest number of points would be seeded number one; the wrestler with the second highest points would be seeded number two etc. The wrestlers that placed second and third in each Sectional would be assigned to a designated spot in the opposite bracket of the winner from that Sectional. The 4th place finisher would be assigned to a designated spot on the same side of the bracket as the Sectional champ, but not in the first round.

Returning state champions at any weight class:

30 points

Returning 2nd or 3rd place winner at any weight class:

25 points

Returning 4th, 5th, or 6th place winner at any weight class:

20 points

Returning state qualifier at any weight class: 10 points

37 or more wins 15 points

32 to 36 wins 10 points

27 to 31 wins 7 points

22 to 26 wins 5 points

If tied for a place, flip of a coin would determine the seed of the wrestlers for placement of that seed on the bracket, except for the number one (1) seed and if the returning champ at that weight class is tied for the number one (1) seed, the returning champ will be seeded number one (1).

- 4) Dual Team Sectional tournament pairings for each class shall be drawn by the IHSAA and posted online in December. State Final pairings will be drawn yearly at the Winter Sports drawing.

C) Dual Team Roster:

- 1) A team roster listing a maximum of twenty-one (21) wrestlers who constitute the tournament squad shall be submitted to the Dual Team Sectional and Dual Team State Final tournament managers prior to the weigh-in for each tournament. NFHS rule 11-1-4 requires wrestlers to weigh in at the same weight on both days of a dual team tournament. Only these twenty-one (21)

wrestlers may weigh-in. Schools may substitute persons on their team rosters for any reason and at any time between contests, provided all substitutes meet IHSAA eligibility requirements.

D) Girls Individual Regional Tournament Entries

- 1) Each school shall submit to the Regional Manager at the seeding meeting the following information for all wrestlers who may participate in the Regional:

*Only wrestlers who are on the Body Fat Roster, that was turned in, will be allowed to enter the Regional Tournament or be able to be an alternate in the Regional Tournament. Wrestlers who fail to make weight may be moved to a higher weight class. Wrestlers entered at the seeding meeting who subsequently become ill or injured may be replaced.

- 2) Criteria for determining seeded wrestlers will be without exception:
 - a. Head-to-Head. (If both wrestlers have beaten each other the same number of times, then go to the next criteria.)
 - b. Record versus common opponent.
 - c. Vote of the coaches. If tied for a seed, re-vote on tied wrestlers only. If tie remains, flip the coin.

Whenever possible, the top four (4) seeded wrestlers will not wrestle until the quarterfinals. Coaches should provide the team roster with individual records to the Regional host on Tuesday prior to the Regional seed meeting. Any wrestler nominated for a top 4 seed at the Regional seed meeting must remain as a wrestler eligible for seeding until all four wrestlers are seeded in that weight class. A scratch session shall be held immediately following the conclusion of the weigh-in and the start of the tournament, and brackets shall be reseeded if a seeded wrestler withdraws. (See tournament manual for requirements regarding scratches.)

Under no circumstances shall the seeding and pairing of wrestlers delay the start of the first wrestling session.

- 2) Individual Sectional Pairings: Wrestlers have been paired by a chance drawing. Champions and runners-up of the same Regional have been drawn to opposite half brackets, and third-place winners have been drawn to

the opposite quarter brackets to the runners-up of the same Regional. In the first round of competition, Regional champions shall receive byes and Regional Runners-up will be matched with third-place winners.

The Sectional Manager will calculate the seeding points of each sectional champ and enter the points online in the winners' reports. The criteria would be as follows:

Establish a point system for each of the Sectional winners. The wrestler that has the highest number of points would be seeded number one; the wrestler with the second highest points would be seeded number two etc. The wrestlers that placed second and third in each Sectional would be assigned to a designated spot in the opposite bracket of the winner from that Sectional. - 2) Class 1A, 2A, and 3A Sectional to State Final; First, second, third and fourth place winners from each weight class will advance from Sectional to State Final competition. Sixteen (16) wrestlers in each weight class will compete for championship honors.
- 3) Alternates: If any of the three (3) qualifiers from the Regional Tournaments should be unable to participate in the Sectional Tournaments, or any of the four (4) qualifiers from the Sectional Tournaments should be unable to participate in the State Final Tournament, alternates shall be selected. The preceding tournament manager (Regional manager for Sectional and Sectional manager for State Final) shall select the alternate using guidelines as follows:

Regional: The first alternate shall be the wrestler defeated in the third-place match. The second alternate shall be the wrestler who won the most matches in the championship bracket but failed to qualify as a place winner or as the first alternate. Should more than one (1) wrestler meet second alternate criterion then the one who was defeated by the highest seeded place winner shall qualify as the second alternate and advance to the Sectional. The other wrestler shall become the third alternate.

Sectional: The first alternate shall be the wrestler who lost to the third-place winner in the consolation semi-final. The second alternate shall be the wrestler who lost to the other semifinalist of the consolation bracket, unless the two wrestlers have met previously in the tournament then the winner of that match is the 1st alternate.

Note: In all Tournaments the alternate shall always be considered as being the lowest placing wrestler to qualify. I.e.

If an alternate is required for a champion, the second-place wrestler shall be considered as the champion for the purposes of pairing, third would go to second and the alternate would be placed in as the third-place qualifier. etc.

- 4) Deadline for Withdrawing: If a wrestler qualifies for advancement and is unable to compete for any reason (including failure to make weight), he has until the weigh-in time deadline before withdrawing.

Note 1: Alternates substituting for any Sectional or State Final qualifiers may be entered up to the weigh-in time deadline. It shall be the responsibility of the IHSA Official Representative or coach to notify the previous tournament manager at the earliest possible time that an alternate may be necessary. That tournament manager is responsible for informing the alternate's coach that he will replace the regular qualifier.

Note 2: Should a qualifying champion or runner-up to the Individual Sectional or State Final tournament withdraw or be disqualified before or at the weigh-in deadline preceding the first session of such tournament for reasons including failure to make weight, and no alternate is available, the remaining qualifiers from the same Regional or Sectional in that weight class shall be moved up in the bracket, i.e., third to second,

second to first, so that the resulting forfeit shall only occur in the initial round of competition.

Note 3: If the qualifying tournament alternates are not available or can't make weight for the sectional or state tournament, then the other alternates in attendance at that weight class would get the opportunity to take that spot by virtue of blind draw.

B) Team Advancement:

- 1) The team scoring the most points at the Individual Regional will advance to the Team Sectional. Pairings for the Sectionals shall be drawn by the IHSA and posted online in December.
 - a. Four (4) Class 1A, 2A and 3A teams will compete in each of four Sectionals, where the winners of the semi-final matches will advance to the State Finals.

- 3) Each Class 1A, 2A and 3A Sectional semi-final winners shall advance to the State Final Dual Team tournament. Teams shall compete in each of the three classifications. State Final pairings shall be determined by a blind draw conducted at the Winter Sports drawing.
- 4) In each dual meet, home team designation shall be alternated by weight class. The team whose wrestler has choice of starting positions at the beginning of the second period in each match shall be considered "home" team and shall be governed by Rule 6-2-2.
